Welcome to
Lower Clopton Farm Shop & Cafe

We are situated on a 211 acre farm,
where we rear lamb, cattle and Christmas turkeys,
alongside growing arable crops.
The bacon on your breakfast is cured by our butchers,
who also make all our sausages,
with pork reared by Barry Hall at Admington or Mr Ball, Bromsgrove.
All the eggs used and sold here are free range
and are either from our own hens
or those of Bruces at Wilmcote, Stratford upon Avon

Lower Clopton
through the seasons

February-we open up our lambing sheds to the public for 2 days,
so that you can come and visit our lambs
and perhaps even see one being born

June/July /August-we have pick your own soft fruits

October-pick your own pumpkins

November/December-order your free range turkey,
reared here from a day old chicks that arrive at the start of June,
are fed on a quality cereal based diet
and allowed to roam and forage free range in our fields.
